Got a success story?

We'd love to hear it and we're sure your friends, family members and colleagues would too.

How has the Cash Machine Workshop changed (or is changing) your financial life. Have any personal success stories you'd like to share? Recently discovered your Cash Machine idea? Met and made any valuable partners or people for your team? Already left your W-2 job? Share your story with us, tell your friends, and refer them to Live Out Loud.

A referral is sending someone you care about to someone you trust. Refer anyone you know to Live Out Loud. If two or more of your referrals purchase a Cash Machine™ Workshop or Wealth Building Blitz from us, you'll get to go too—for **FREE**. You choose which event you'd like to attend, on any date within a year from your referral's original purchase date. Get a complimentary refresher course on Cash Machines or take it to the next level and BLITZ! your Wealth Plan.

SUCCESS STORY TOPICS

Here are some story starters you can use, but feel free to share anything you like that relates to your personal Cash Machine Workshop success story and describe in detail.

- Did you discover anything new about yourself, or about how to create a Cash Machine, that has significantly impacted you and moved you to take more action with your life?
- As a result of this workshop, have you already made any major changes (or immediately plan to) to your current financial life and lifestyle?
- Have you overcome any major business or financial challenges now that you have attended this workshop?
- Tell us why you would you recommend us to your friends, family or colleagues.
